

VW90 Viking FIREFIGHTER BOOT

Available in size 7 - 14

VIKING
Vikingwear.com

WHY VW90?

- The "Snug fit" design allows to taper the ankle area of the shaft to create a form fitting supportive boot that provides a tighter fit to prevent ankle roll over and foot fatigue
- The ergonomic insole system design helps support the arch, improve the stability of the boot and fit to preference

Ideal For

- Regular and Auxillary Firefighters
- Forest fire workers
- General fire rescue

THE STANDARDS:

- ASTM F2413 : 2011
- I = Toe Impact Protection 102 joules
- C = Compression Resistance 11kN
- PR - Penetration Resistance 1200N
- NFPA Certified: 1971-2013
